

Last week you dumped everything into the open; this week you begin sorting it. Like a pile of laundry on the floor, exposure alone doesn't create progress...things only move forward once decisions are made about what belongs together. In this session, you'll begin shaping your life the way God shaped creation...by separating, gathering, and giving form so clarity can lead to obedience.

5. AS YOU BEGIN TO SORT YOUR LIFE INTO THESE CATEGORIES, WHAT DO YOU NOTICE HAPPENING INTERNALLY? DOES THIS BRING CLARITY OR CALM—OR DOES IT SURFACE TENSION, STRESS, OR RESISTANCE? WHY DO YOU THINK THAT IS? (Feeling tension here doesn't mean you're behind...it usually means you're being honest.)
