Odometer calculation check

0 Problem(s) Reported	Mileage	Date Reported
	21	01/17/2014
	123,547	12/11/2019
	123,521	01/16/2020 not included in rollback calculation *

* This odometer reading was not used in this calculation because the difference was too small or it is in kilometer. When a reading difference is small, it is due to either a data entry error of the date of the odometer or a rounding of the odometer and not likely due to a true rollback.
