

**NIAGARA
PENINSULA**
FOUNDATION FOR CHILDREN

OUR MISSION

The Niagara Peninsula Foundation for Children is a charitable nonprofit organization and was established with the goal to support charitable organizations that assist disadvantaged children and families of children with disabilities in the Niagara Region

@niagarapeninsulafoundationforchildren

On behalf of the Niagara Peninsula Foundation for Children **Thank You** for your generous support. Your donations impacted families across Niagara; from Fort Erie to Smithville and from Port Colborne to St. Catharines.

Because you cared we made Christmas better for 27 families which consisted of 68 children and 18 adults. All children received a toy, snowsuit, gloves, hats, boots, undergarments, pyjamas and an outfit. The parents were not forgotten, they received a present and a gift card for food.

We gave \$500 to the following schools to purchase supplies for online learning: Connaught School and Ferndale School in St. Catharines, and McKay School in Port Colborne.

A special Thank You from the Kids

Thank You for the winter clothing it will be very appreciated by the kids here in Lincoln Centennial Sincerely, Abigail. Thank You again. ☺

Dear Mr. Foster & members of NPFC,
On behalf of the staff and students of Connaught, I'd like to express our sincere gratitude for your very kind financial support and thoughtfulness in donating to our breakfast program and learn at home supplies. Your supports improve the quality of learning for our students, both because they have the tools they need at their disposal and full bellies to help them focus! Our sincere thanks,
Kelly Diorio, Principal

Together we made a positive difference!

YOU gave us toys, games, clothing, toiletries and money. YOU put smiles on the faces of many children and their parents. YOU gave hope during these difficult times! YOU are heroes!

We would like to give a special thank you to Olee's Ale House, Pizza Jerry's, and Butler Funeral Home for helping us gather our gifts.

We are completely volunteer driven!
