

Gregory Gardens Elementary

2026 Read-a-Thon

HOW IT WORKS!

- **Find & Share Your Class Link** – Visit the Read-a-Thon page, find your student's class, and share that class donation link with family and friends who would like to sponsor their reading.
- **Read & Record** – Keep track of your reading each day by recording either pages or minutes on the provided reading log.
- **Sponsors Donate Through Your Class Link** – Sponsors can make their donation directly through your student's class link. Donations will be tracked toward the class and our overall Read-a-Thon fundraising goal.
- **Turn In Your Reading Log** – Submit your completed reading log anytime from Friday, October 2 through Tuesday, October 13.
- **Parents & Caregivers: Double Your Impact with Company Matching** – Many employers use Benevity to match charitable donations. If your employer participates, submit your family's donation through your company's Benevity portal to potentially double your impact for Gregory Gardens students.
