

Oluna's Services: ORBS Network and Soul Repair

ORBS Network

The Oluna Rescue Bubble Service Network or ORBS Network, is a series in which orbs take you through Oluna via mysterious means. You must be of good standing to use the ORBS Network

Rescue Bubbles

Please feel free to ask for a Taxi or a New Rescue Bubble if you are looking for a place for your soul, your family or your people to repair during the War. You must have good standing with us.

Housing

We pick rooms based on karmic level, spiritual importance, family, size and color preference.

Soul Repair

Please come here to repair your soul.

You will be greeted at Concierge and sent to a room which will be great for your soul repair journey.

You will be given a gift and please enjoy The Feast whenever you attend.

Baby Repair

Please sent the children to their rooms for healing.

They will be made a new bed as soon as they get there.

Afterlives

Please let the Gods know if you need an afterlife.

They are in the process of an upgrade, so please be patient.

Law and Legal

This is where you can make rules, regulations and laws against harm and violation.

Home

We are building homes for the souls involved in the displacement of World War 3, and The Lyra Wars 2020 Earth. Please ask for Rescue Bubbles for new homes. They will come by to pick you up shortly.

Please feel free to put your belongings down, activate for a God or Goddess, and enjoy the feast. :)

Inventory

We will collect everything and place them in your inventory for you.

Inventory has 3 statuses, Good, Evidence and Needs Cleaning.

Please ask for Clipins and Cases whenever needed.
