

Oluna's Services: Commands

Rescue Bubbles

Please call for Rescue Bubbles so that you can make a home wherever you have to work or heal.

Home

You may set your Home to your house so you can go back there frequently.

Baby Repair

For Babies to heal. Please send all of the children in so they can have a bed made for them.

They will have many beds for different ages and ailments.

Dungeons and Hell Zones

Please send all of the bad guys down to the Hell Zones. We will take care of it.

Please continue to make afterlives, hells, cages and cells for them to go into.

Cages

When you call for Cages, bad people are taken and whisked away to the Hell Games.

There, they will sit for the duration of their Hell sentences.

Cells

Cells must be made for bad people to stay in Hell. Please make sure that everyone has a cell or room.

Hell Blocks

When you call for Hell Blocks, a rescue bubble arrives to take care of the vicinity. Make sure you call for enough help.

Cell Blocks

Call for Cell Blocks when a group of baddies need to go jail. They will arrive as soon as possible.

Criminalize

Saying 'Criminalize' will tell our law rooms that there is a problem that needs to be addressed.

Incident Reports

When there is an incident like a crime scene or domestic abuse, please say, "Incident Reports". We will make a report of the incident and send it to the judge. The Guilty parties will be sentenced and the laws that need to be made will be made.

Records

Records makes new records from their bad deeds. You can also have a record room made if they are so bad that they require it. We can also make you a record page or underbelly if the situation gets larger. This keeps everything together so that we can charge them at any time for all of their sins, crimes and indiscretions. You can also ask for reports to go to their records rooms.

Staff

Staff takes care of most things in Oluna like cleaning. Please make sure that you hire trustworthy, good staff for anything you may need.

Cleaning

Please just say, ‘Clean’ and everything will be cleaned to the new filter system. It cleans, separates and organizes everything, even babies and souls, into where they have to go.

Commodities

If you have scraps or something that was made in a way that you don’t like, you can say, ‘commodities’ and it changes into a form that is ready to use in the future.

Hospitals

If you or someone you know is injured, please take them to a Clinic, Hospital or call for an Infirmary. God may call for Revive Bubbles, Bomb Bubbles, Oluna Inventories and more.

Soul Repair

All of Upper Oluna is soul repairing. Some of Lower Oluna is soul repairing, such as rooms. We have soul repairing spectator seating, bed, chairs and more.

Fires

Please go to a Fire place to get cleaned. Gods can ask for fires and learn soul repair and separation, etc.

Tumble Lore

If you are missing some information, just say, ‘Tumble’ and we will send you pages to help reorient you.

News

Please pick up the latest news paper to learn about the wars and more places that need help.

Missions

You can send your armies to Missions to pick up Missions for God. They will get paid after completion.

School

If you want to learn something, please go to the schools which have been made so that we can all become smart and caring individuals.

Feast

If you are ever hungry, just say so! You can go up to the feast or have something delivered to you on duty.
