Timeline of a Designer

For Parsons: The New School
Online

2010 | Printer-preneur

In 2010, I found my niche printing
up a storm all night.

2010 | Graduation

MICA Commencement 2010

The background image shows a corner of a room with white walls and a dark floor. A large, multi-colored patterned fabric, possibly a quilt or tapestry, is draped across the walls. The fabric features various patterns and colors including red, purple, blue, and yellow. The room has a decorative baseboard with a repeating pattern. The lighting is somewhat dim, creating a soft atmosphere.

2012 | First Pieces

This is one of the first few pieces.
It's called The Soul.

2012 | First Collection

The Body

2012 | Bandanas

Turning digital images into fabrics
for print and wear.

2012 | Swatches

From masks, to books to hats!

2012 | Masks

The swatches were turned into masks for events and shows.

2012 | Dreamscape 2

I ran a whole room at a music event including garments for dancers to wear.

2012 |
Tie Dye

An impromptu fashion show with tie dyes happened.

2012 | Apocalectro

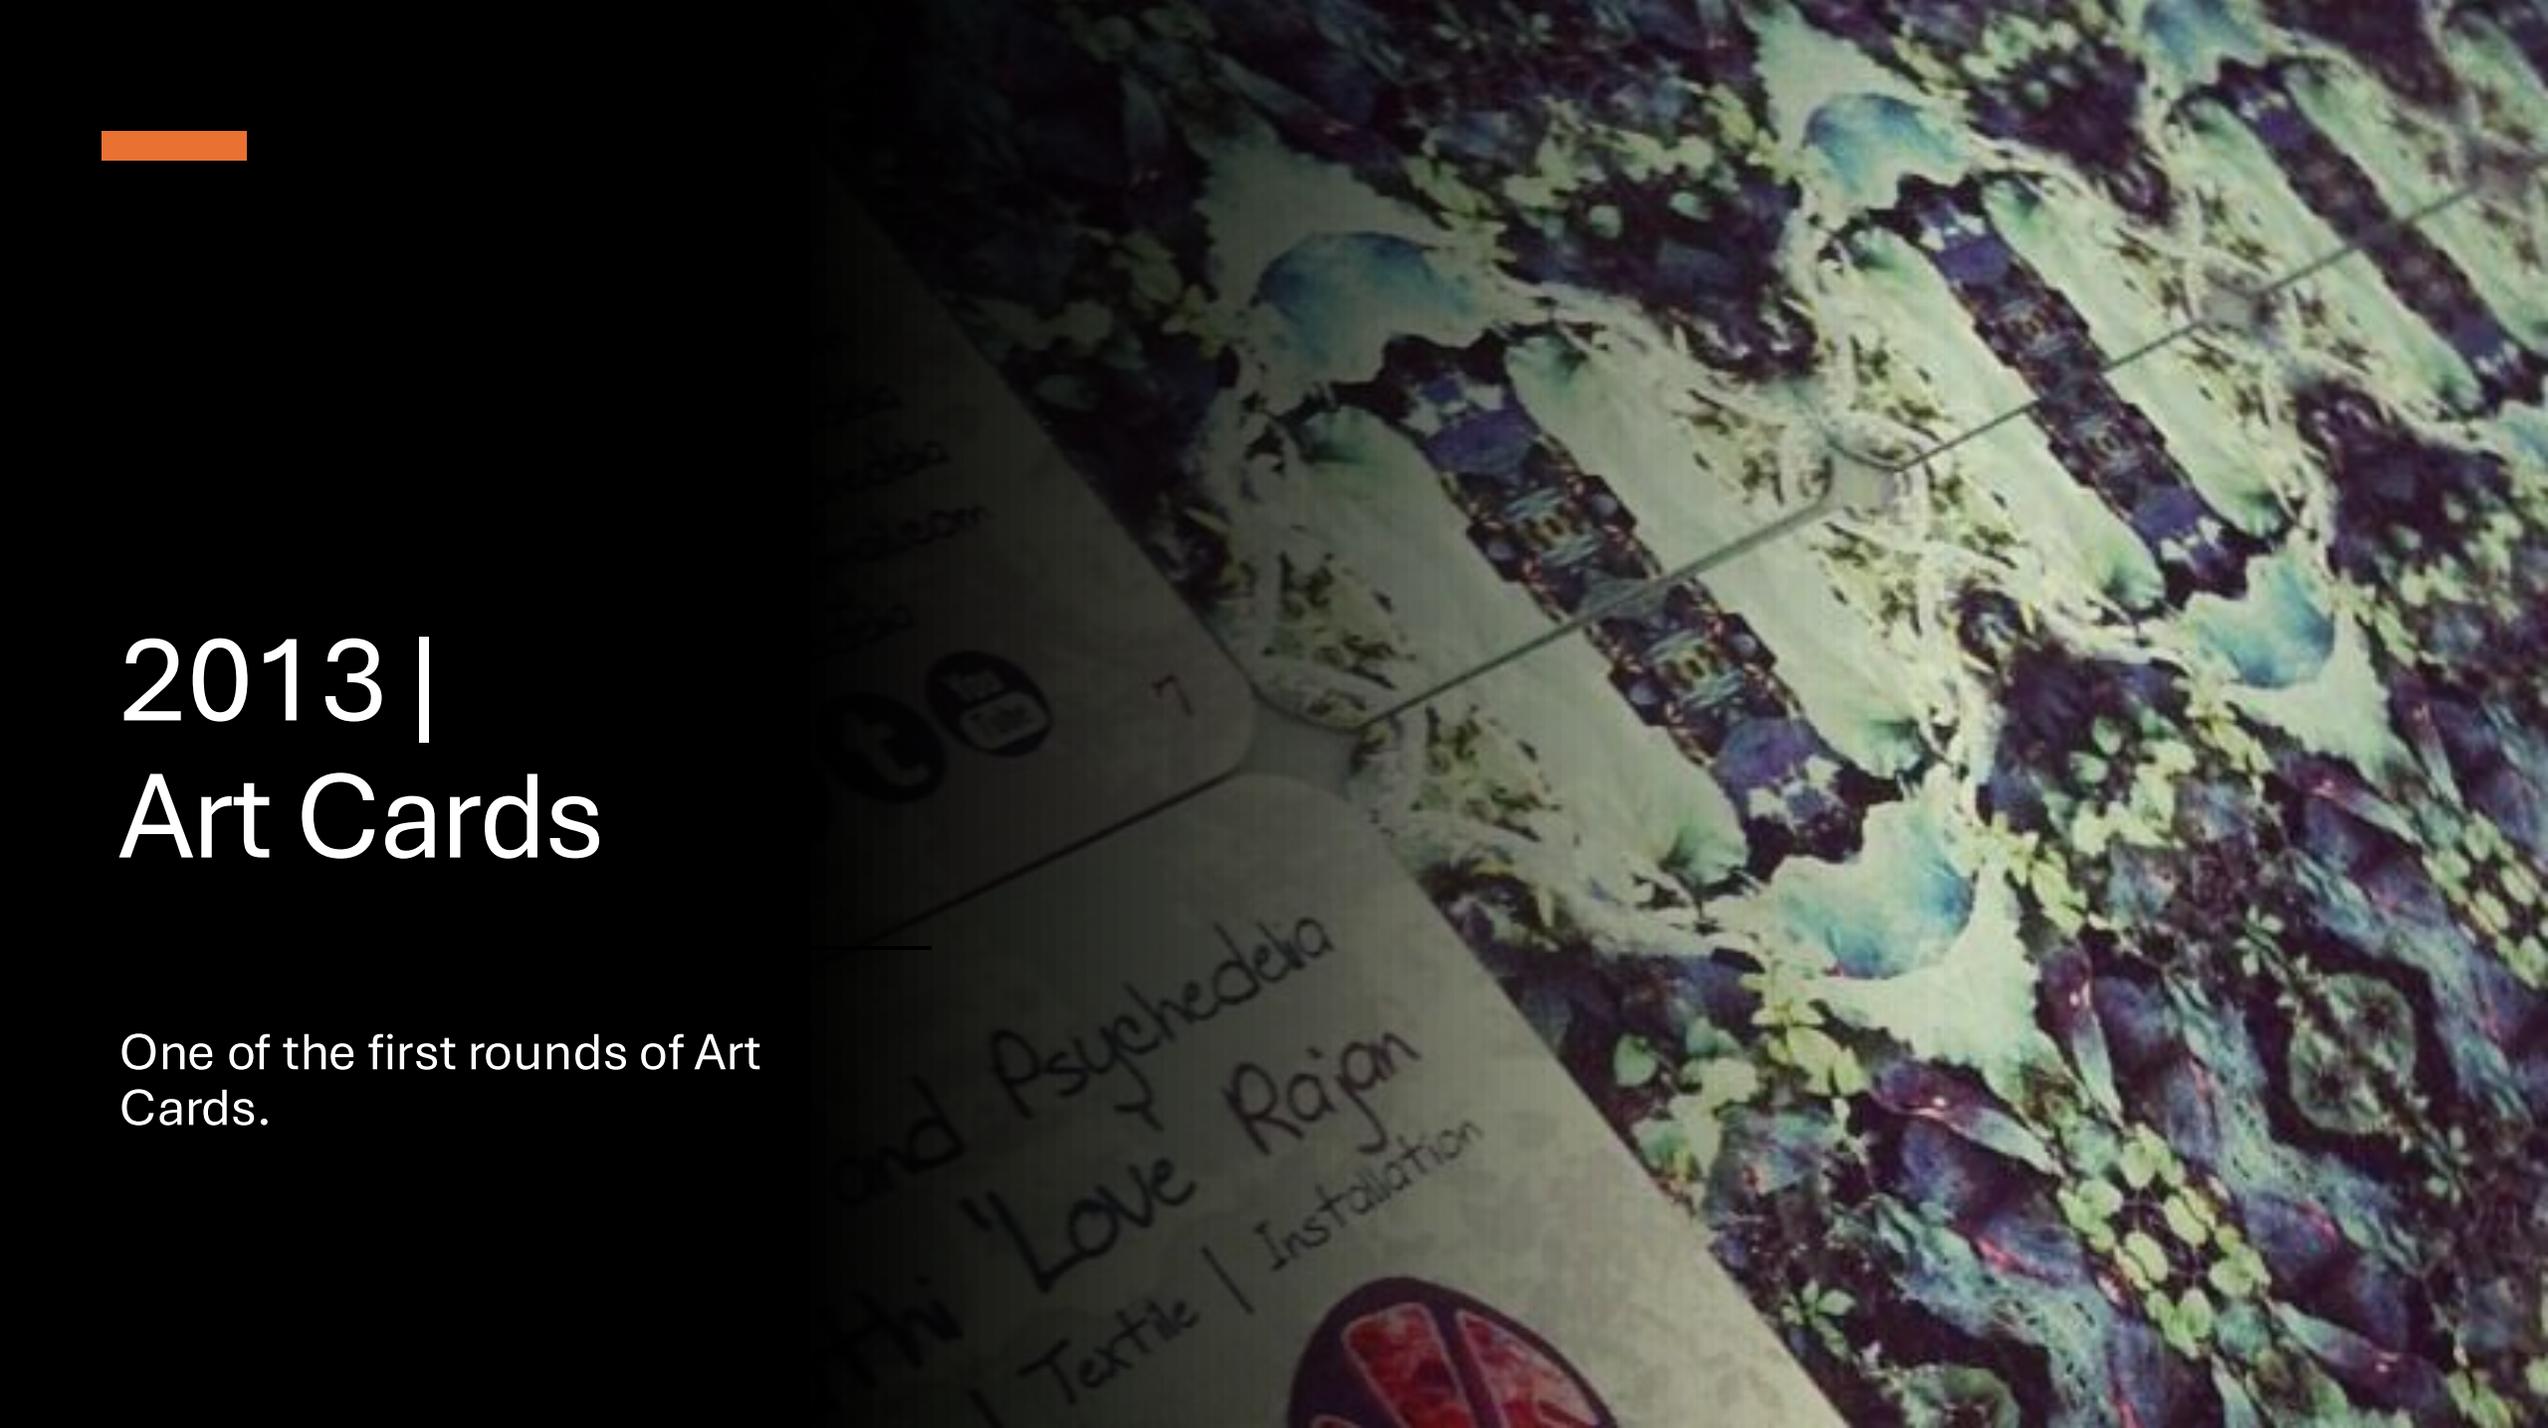

We did a show for the end of the world, I made these forms for the main room.
