Rathi Rajan is the creative force behind LovePsyence. Raised internationally, her multi-cultural background has had an enormous influence on her artistic voice. She has experimented with photography, digital media, and textiles, and is not stopping there. Her work has progressed from introspective figure and text to outward abstract experiences, and has remained strong in her potent use of color and power to evoke emotional responses. Her bold and consistent style resonates through her experimentation in merchandising and installation artwork. LovePsyence is the brand behind her digital and textile creations. Thanks to the LP DreamTeam, the supportive force behind the company, Rathi is able to bring her visions to life!
