Spiritual Warfare: You Need To Know This

1. Your reincarnation history is very important. Your heritage dictates who you are now. Your ancestry tells your story in the world. Please make sure that you understand who you are so you know who you are in the war.
2. The World Wars and the Lyra Wars are intertwined. We must lay siege to the Tyrant and free The Divine Monarchy.
3. God does not condone violence. We are not allowed to harm anything, thus war is technically illegal unless in defense. We may act in self-defense but we may not act offensively.
4. The Lord wants us to know that he loves us, and will welcome us back if we are honest and true in our love for him.
5. If you are not true to the Lord, or are dishonest towards him in any way, you will be dismissed.
6. Do not let them sway you from the Good side with money, girls, fake love or fake security.
7. Satan knows that the path that follows him leads to Hell. Choose your path wisely.
8. Everyone is watching. Everyone is listening. Everyone is worried that the world is ending.
9. Everything that you've studied so far is at your fingertips so that you can make the best decision you can to help the Lord save the world from evil and tyranny.
10. Unlearn your societal conditioning, forcing you into the rat race, and away from your true, spiritual, divine, nature.
11. When you partake on the pilgrimage of fighting in the 5D, you must know that you are a soldier of The Lord and the Light. We will be at your side.
12. Please stay loyal to your religion of birth. It is important. We will greet you at your pearly gates.
13. WW3 is a very important war. Please do not white supremacy win. Please honor your ancestry.
14. Please do not cheat Death. Death already knows when you are on your way. Please pay your tolls.
15. Do not fall to the side of tyranny. Everything belongs to God and we are his children. We love you.
