Judgement and Spiritual Conspiracies

4D Shift

We are shifting to a higher consciousness. A vibration of pure love is near. We must make sure that we do not falter in our course upwards in ascension.

5D Shift

If we are successful in our shift towards the 4D, we might ascend further to 5D consciousness. We know that it is a place for angels and not for warfare, so please join the fight in the 5D by relinquishing your other allegiances and ally yourself with the Lord so that we can win.

Twin Flame Reunion

You should come back together with your twin flame so that you can fight together in the holy war.

End of the Narcissists Paradigm

Do not let the narcissists win. Empathy is a higher truth. We cannot let them justify themselves with lies any longer.

“We will win. <3” - **The Lord Almighty, God**

Rebalancing the New Earth

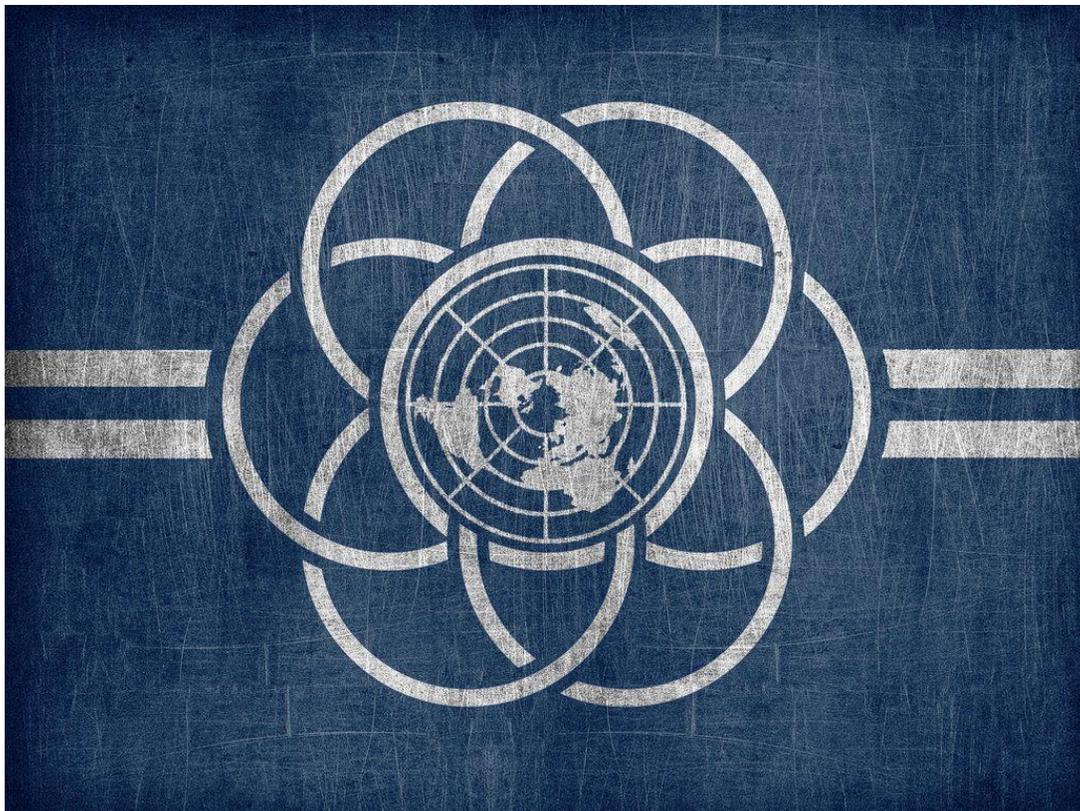

We are supposed to usher in a new era. The Age of Aquarius. We are supposed to rebuild Earth as a heaven planet and start fresh without Age of Pisces. The mean ones can't stay. The sacred ones are rebuilding a new Earth to align with our spiritual goals.

End of Tyranny to the Downtrodden

We are not allowed to let Tyranny continue. Tyranny is not allowed here or anywhere. We must make sure that we are all united under The Lord so that we can bring forth peace. Please take up your arms for the crusades with the Gods to end tyrannical power structures everywhere. We must make sure that we put an end to the destructive tendencies that the tyrants have established in their dictatorships.

Karmic Destiny Evaluation

We must make sure that we have positive karma in the next evaluation. If your karma is negative, then you will be descending towards Hell. If you have positive karma, then you will hopefully be ascending with The Angels. If there is a discrepancy, then you will be evaluated for the best decision regarding your afterlife. Please know if you are not good enough, or too dangerous, for Heaven, you will be cast to Hell for the remainder of your afterlife.

The Rapture

The Rapture is a Biblical Prophecy that dictates that good souls will go to Heaven after evaluation and bad souls will go to Hell. The rapture came early in 2020 because someone triggered the end of the world and most people had to go to Hell.

Judgement

A moment where Heaven will judge everyone and the damned will be condemned to Hell.

The 2nd Coming

Jesus will return to earth in reincarnated form, this time as a girl, to orchestrate the rapture and judgement.

Kali Yuga

Kali Yuga is a Hindu Prophecy where there will be a second Mahabharata. A girl will come to Earth as an Angel and ascend to be a God to defeat the evils in the political sphere so that the people can be free.

Kundalini Awakening

Those who are in touch with their energy will experience an awakening where their energybody will awaken. If they are able to they will see their kundalini energy.

Coming of Age

Those who are chosen will come of age through their hero's journey through the trials and quests of the Apocalypse. Please keep your wits about you as there will be many liars along your path.

Food

Food is sacred and it is very important that we keep each ecosystem healthy to maintain life. It is important to make sure that you have a balanced diet so that you remain at full health.

The Journey To The Self and Rebalancing the Self

A call to yourself must be heeded. We must make sure that we reconnect with our selves so that we can become whole again. In our quest to be whole, we must make sure that we keep our knowledge of self, whole.

End of The Ego and Egocentric Rulers

Down with Tyranny. The Ego will die and give way to the soul. Those who are egocentric rulers will fall, and the Reign of God begin. Know that this era of Divine Anarchy will be forever more.

Don't Take What Doesn't Belong To You

You will find yourself with the question of how to put wealth and abundance into your life. Please do this by buying your own belongings, rather than stealing others. Stealing is a double sin. It is greed and jealousy and might earn you a double sentence in hell.

Rebalancing of Cops vs. Robbers

The escaped cons are at large. Justice must be served. Will you join the holy call?

The End of Tyranny

We must ensure that peace takes hold for centuries. We must bring down the terrorists and tyrants so that our children have safety and positive quality of life for generations to come.
