To Those Considering The Part Time Associate Pastor Position,

As a church we have seen much new growth and with that has come a need for another Pastor/Elder to help oversee our Church. That is the thrust of this position. We are looking for an Elder Qualified man to help lead our Church in the arenas of Discipleship and Small Group Ministries. Additional gifting in Administrative and Family Ministry are also bonuses. To be clear, as we go through this process of hiring we are not so much looking for a professional to fit an exact role, as much as we are looking for the right person to join our Church Family. So, if you have gifts associated with Teaching, Leadership and Management, know that we have some flexibility in the amount of hours and the role's specified responsibilities. Also, note that given that this position is a direct partner in ministry with our Lead Pastor, please expect that all team recommended applicants will have a secondary meeting with the Lead Pastor.

May God lead you and us in this process,

Jon Fitter

*Lead Pastor*
