

Camp Able at Coronado Volunteer and Jr Counselor Application

Camp Able is located on the Silver Strand State Beach and provides a memorable day-camp experience for persons with disabilities. The campers who participate in the Camp Able program are both youth and adults who are challenged by physical, mental, and emotional disabilities. Many activities are provided by Camp Able such as swimming, canoeing, sailing, and various arts and crafts. All these activities are modified to enable the campers to have the chance to participate in them at their skill level.

This program could not exist without the time and participation of the Volunteers and Jr. Counselors. As a Volunteer/Jr. Counselor you will have hands on participation in the campers' activities: e.g. singing songs, playing on the beach, swimming, rowing canoes, lunch time feeding, helping on the sailboats, one-on-one experiences with the campers, and lots more. If you are interested in spending some of your time with us this summer, please fill out the application below. Thank You!
