

UP THE CREEK

August 31, 2018

Thank you!

THANK YOU to everyone for conserving water. Our water usage for July 2018 was roughly 1,700,000 gallons less than July 2017! We don't know what August 2018 numbers are for sure, but it looks to be quite a bit less than August 2017. Even though we have had a little rain in August, we are still in a drought so please continue to conserve water.

We are going to be a little more aggressive in collecting past due amounts. If your account is two months behind, you will be receiving a phone call and then we will take further action if necessary. Our goal is to keep accounts current and to prevent large past due amounts that are impossible to catch up with. If you are dealing with a crisis, we are happy to work with you. Please let us know that you are having trouble.

We hope that you all have an enjoyable Labor Day!

JUST THE FACTS
