[Details here](#)

Presenter: Denise DiGrigoli

An expert in sales and marketing strategies, Denise DiGrigoli, founded Drive Media and Consulting with the mission of helping people harness and use their innate intuition to problem solve and achieve high goals.

Denise guides companies and individuals to become more agile in changing business environments, fueling creativity, driving growth, and inspiring innovation.

A 50 minute video conference

You'll learn to create the best plan.....

- Understand the technology you are using before you go live
 - Zoom or Microsoft Teams
- Best practices for how to:
 - How you show up and present yourself
 - Deciding on whether to share screen and how
 - Decide to use a slide presentation or different materials
 - Set an agenda for best outcomes
 - Run a meeting vs participating actively
 - Enter and exit a virtual meeting
 - Keep your audience engaged
 - Be a motivated listener
 - Ideas for timely follow-up

You'll leave with an actionable set of ideas on how to create a plan that works for you, and your #GOM, goals of the meeting

Who can benefit? Companies who need help navigating in these non-traditional work environments. Perfect for Entrepreneurs, Leadership, Teams and Business Professionals
