

STAY CONNECTED WITH BRIGHTWHEEL

At The Village ELC, we believe strong communication builds trust
— that's why we use the **Brightwheel** app to keep families
informed and involved every step of the way.

With Brightwheel,
you'll enjoy;

Real-time
updates about
your child's day

Photos and
videos of learning
and play

Daily reports and
reminders sent
right to your
phone

A direct line of
communication
with me

Even when you're away,
Brightwheel helps you feel close
by sharing real-time moments
from your child's day.
