CURRICULUM HIGHLIGHTS

♥ NURTURING GROWTH THROUGH PLAY ♥

WHOLE CHILD DEVELOPMENT

Children develop socially, emotionally, physically, & cognitively through a balance of play, hands-on activities, and nurturing interactions.

PLAY-BASED LEARNING

Children learn through meaningful play experiences that include songs, stories, sensory play, creative projects, and plenty of outdoor time.

INDIVIDUALIZED LEARNING

Children receive personalized support as they explore at their own pace, with activities adapted to meet each child's unique developmental needs.

CREATIVE ARTS & EXPRESSION

Children express themselves through art, music, storytelling, and pretend play — building confidence, communication, and fine motor skills.

OUTDOOR & GROSS MOTOR PLAY

Children explore the outdoors with riding toys, chalk, bubbles, nature walks, and games that support movement, coordination, and joyful learning.

SOCIAL-EMOTIONAL GROWTH

Children practice sharing, taking turns, identifying emotions, and developing friendships through guided interactions and consistent routines.

EARLY LITERACY, MATH & SCIENCE

Children build early skills by exploring letters, numbers, patterns, and the world around them through theme-based learning and play.

CONSISTENCY & ROUTINE

Children feel secure and confident as they follow a predictable daily rhythm that supports independence, self-help skills, and a sense of belonging.
