If payments are not made on time, or within an agreed time limit, then the following conditions will apply:

1. Invoice(s) are sent out usually in arrears of work being undertaken by ourselves for the client. As each invoice raised, it will show an "Issue Date". We would expect to have cleared payment within 7 days of the invoice being sent out to you. If payment is not made within 7 days then condition 2 applies.
2. We will remind you that a payment is due for the invoice. Clients would be required to pay the amount outstanding at this point a \$25 late penalty charge to keep their account with us in order.
3. If the accounts and/or invoices remain unpaid thirty (30) days after the due date all further updates and/or changes to the website will be declined and the website will display "under construction" until payment is made in full, and the account is brought up to date website services.
