

Dear Guests!

We are glad that you chose our accommodation.

We hereby confirm your reservation.

Check in:

Our private accommodation does not have a permanent reception. The general check-in time is between 14:00 and 17:00. After 7:00 p.m., which is significantly different from this, we only accept pre-arranged (email, phone) **key safebox** check-in, which we will inform you about in a separate email. We would ask that approx. call +36 70 271 8183 to indicate your expected arrival with half an hour. Please take our check-in rules into account when organizing your trip.

If you need to use breakfast or wellness (sauna, jacuzzi), please let us know in advance.

Breakfast is available for a separate fee, from 7:30 a.m. to 9:30 a.m. by appointment. If you need it, please let us know in advance, because it is not certain that we can provide it at all time.

Our wellness department also has to be paid separately. There is a 2-person "Swedish-Finnish" indoor sauna and an outdoor 3-person whirlpool. Only 1 room, or in the case of a group of friends, can be used by residents of several rooms at the same time, for a period of 3 hours. You can get more information and make an appointment at the reception or at its contact details.

We will send another letter in the days before arrival due to easier accessibility.

You can find other information, our gallery, and our policy on our website at www.cityinnszigetvar.com.

Sincerely yours

City Stuff
