

**Dear Guests!**

**Here are some useful information upon localisation and arriving**

We would like to ask you to let us know your expected arrival at +36 70 271 8183 an about half an hour in advance, as our guest house does not have a permanent reception. The general check-in time is 14:00-17:00, after 19:00, which is significantly different from this, we only undertake the pre-arranged (email, telephone) **key safebox check-in**, which we will inform you about in a separate email.

We send you a little help for an easier approach:

Our address: Szigetvár, Zrínyi tér 6.

Google maps and several gps maps are a bit misleading. Search for the coordinates "46.046902, 17.798412". Approach at Széchenyi u. from the parking lot behind K&H Bank, as it is forbidden to enter from Zrínyi tér. It might be advisable to mark K&H Bank as a destination, and they will find you here based on the map and photo in the attachment. I would like to draw your attention to the fact that Zrínyi tér is an area closed to traffic, subject to an entry permit and monitored by camera. Those driving in without a permit can expect a fine of nearly HUF 40,000 from the police. If you have a problem with the car route, feel free to call the given phone number for help. The small map and picture below may help you find your way around.

Sincerely yours  
City Staff
