### **Who Are the Christopher Kohl's Firebelles?**

Christopher Kohl's Firebelles is an established 501 (c) (3) Auxiliary, with a group of proud volunteers whose mission is to support the Christopher Kohl's Fire Department (CKFD). We do this by holding yearly events, collecting private donations, and aiding CKFD in securing grants.

Christopher Kohls Fire District (CKFD) is a small rural fire department found in the Mogollon Rim Country, developed as a Fire District in 1979. Christopher Creek is a unique and picturesque mountain village town at 5900 feet elevation in the Arizona Tonto National Forest. We have many summer visitors who enjoy our little piece of heaven.
