

To Whom It May Concern:

We are requesting approval for \_\_\_\_\_ to participate at the  
\_\_\_\_\_ in \_\_\_\_\_ from \_\_\_\_\_.

She is a member of the Peak Volleyball Academy that participates in this National level tournament. The tournament gives them the opportunity to earn a bid to participate in the USA Volleyball Girls Junior National Championship with other elite level teams across the country this Summer, with college recruiters in attendance.

Please excuse her from school on the dates mentioned above. She understands that she is responsible for all work that is required before she leaves and upon her return from the tournament weekend.

If you have any further questions, please contact Tara Cox via email at [peakvolleyballtx@gmail.com](mailto:peakvolleyballtx@gmail.com). We appreciate your consideration and support in this matter.

Sincerely,

Bryar Nevills, Club Director
