genesis[®] POOLS

At Genesis Pools, we believe your backyard should be more than just a space, it should be a destination. We can help create the outdoor space you have always dreamed about. We have pool shapes and shell colors to match any style and any vision. You pick your new pool and it will arrive at your home ready for installation, it's that easy!

TRANSFORM YOUR HOME

Having a swimming pool right at home creates unforgettable family moments. Your backyard quickly becomes the go-to spot for outdoor fun and relaxation. Start the grill and soak up the sunshine with loved ones as you watch your kids splash and play.

Non-diving pools. Use of diving equipment is prohibited.

FIBERGLASS BENEFITS

FAST INSTALLATION

Construction of a fiberglass pool takes place at the factory. They arrive ready to install, which can be accomplished in days instead of weeks.

ENERGY SAVINGS

Fiberglass insulation retains heat better than concrete or vinyl. With no surface to refinish and no liner to replace there is less cost and waste.

LESS MAINTENANCE

Non-porous gel coat surface resists stains and algae growth. There is never extra work for painting or liner replacement.

GENESIS POOLS

Models are available in classic, freeform, rectangle, and tanning ledge shapes. We also offer spas to enhance your backyard.

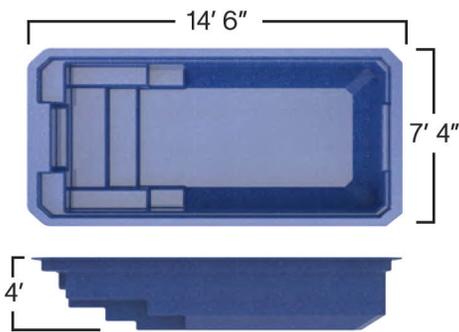

CATALINA AND GALVESTON SPILLOVER - PACIFIC

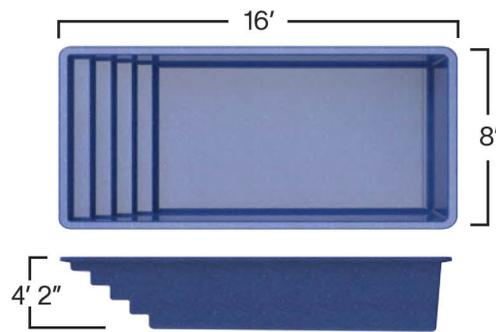

Rectangle

Built to suit any space

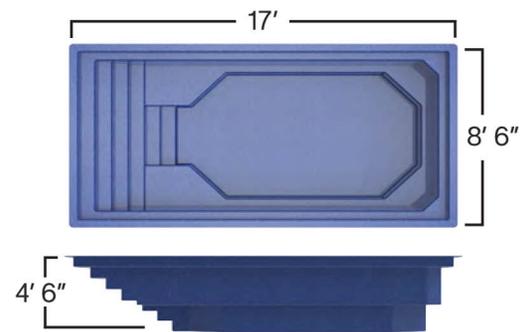

Rectangle pools come in a wide range of lengths and widths, making them adaptable to small, medium, or large backyards. The crisp, geometric lines bring a sleek, contemporary look that pairs well with modern landscaping and architecture.

FIBERGLASS TANNING LEDGE

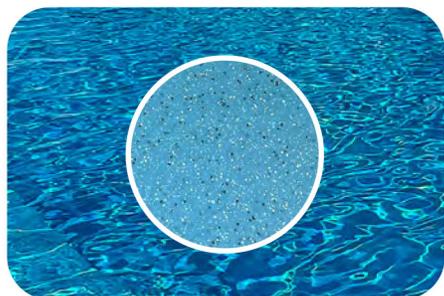

A tanning ledge is a shallow, flat area built into your pool, usually just a few inches deep. It's designed for lounging, relaxing, and wading.

Non-diving pools. Use of diving equipment is prohibited.

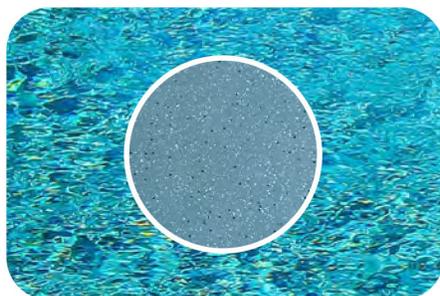

Shell Colors

Genesis shell colors will transform your pool into an eye-catching centerpiece for your outdoor space. Crafted with a stunning gel coat, our pools boast a resilient and lustrous finish, ensuring your pool maintains its vibrant color.

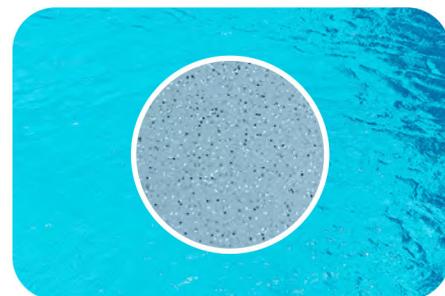

Aqua

A vivid blue that instantly captures attention and brings your pool to life.

Coast

A calm and clear blue that reflects the beauty of open water.

Frost

Cool, crisp, and shimmering with a subtle icy elegance.

Pacific

A striking shade of blue with a luxurious, enduring presence.

Polar White

Crisp white with soft gray pebbles, reflecting a fresh, airy light blue.

Sand Dune

Warm and natural with sun-kissed golden undertones.

Sea Salt

Bright, pure, and timeless that pairs perfectly with any decor.

Please note that the colors presented are as precise as the picture process allows and may vary with the actual product.
