## Positions Descriptions

**-Forwards:** The forwards (strikers) are primarily offensive positions. Their main purpose is to score goals.

**-Midfielders:** The midfielders (halfback) are the links between the offense and defense. Midfielders defend their own goal, but also attack the opposing team and keep the ball in play by passing to the forwards. They will also try to score goals.

**-Defenders:** The defenders try to protect their goal from the opposing team. These players must be aggressive, take charge and not be timid. They must stay alert because the game, at times, will be on the other end of the field.

**-Goalkeeper:** This position requires different skills and temperament from the other soccer positions. Try and have a few different players try this position out throughout the season.

### **Suggested guidelines for providing first aid**

-Coaches and parents are responsible for providing first aid to their own team and child

-Each team should have a first aid kit at games and practices

-Cover open sores/lesions prior to the game

-Wear gloves when in contact with blood or other body fluids

-Immediately wash hands and other skin surfaces with soap and water if in contact with blood or body fluids

-Clean all blood contaminated surfaces and equipment with a solution of 1:10 bleach and water or other disinfectant

### **Rainout Policy**

-Every attempt will be made to play games at their originally scheduled time and location. If one half of the game is completed, it will be considered a complete game, if the official has to cancel due to weather or field conditions.

-Rescheduled games are not guaranteed, rescheduled games may be played during the week.

### **Disciplinary Actions**

The YMCA understands the necessity of discipline. The YMCA will allow proper consequences to be given for disruptive behavior at practices or games and habitual absences at practices. If a coach elects to sit a child out of a game as a teaching method, he/she must abide by the following procedures:

1. Clearance with the Sports Director at the YMCA beforehand.

2. Discuss the situation with the parents.

3. Notify the opposing coach prior to the start of the game.

4. Clearance is for one game only; each offense must be processed.

**NOTE:** This action is to deter a habitual action, not a single unavoidable circumstance and we do not want to take this route if at all possible.

Any player arriving late for the game may lose their right to play two quarters. This is the coach's decision.

### **Ejections**

-If a player, coach or spectator is ejected from a game, they will have a two game suspension.

-The YMCA sports department will not issue refunds to any player, coach or spectator ejected from a game or anyone involved in a suspended game or season.
