

# DONATE TODAY.

**Our mission** has been always to have a cultural and community center for participants from ALL communities.

While serving all people regardless of religion, age, sex and financial means, Sai Pariwar is dedicated to conducting programs that help build strong communities by developing values of honesty, responsibility, accountability, transparency, respect and caring.

We serve the community by organizing various workshops such as Yoga and Holistic Healing, and we arrange classes in Dance, Mathematics, Hindi, and Sanskrit for the benefit of children and adults.

We encourage ONE and ALL to support our mission through this and all future events to REACH our GOAL to have this cultural and community center for the rejuvenation of Mind, Body and Soul.

The new temple is located at:
