

Napoleon Lions Club

Dear Mr. Neuenschwander.

On behalf of Napoleon Lions Club, it is my pleasure to Write this letter in support of the proposal to save,, renovate and restore the historic John L. Johnson auditorium and the adjacent west wing of the former elementary school building.

We understand that the renovation of John L. Johnson Auditorium will result in a visual and performing; arts auditorium, and a community Center with a cafeteria, kitchen, conference rooms, and gymnasiums. The possibilities for use by our residents are great. As Lions Club members the motto of "We Serve" has been an important guide post for us, over the years, in helping the residents of our area and the communities in general.

We fully support the efforts of the Napoleon Civic Center in this endeavor. Any project that can provide a venue to bring the community together is worthwhile and it is our sincere hope that the efforts of the Napoleon Civic Center will provide the necessary funding to bring this project to a successful conclusion.

Sincerely,

Kim Schumm, President
