Dear Supporter,

Right now, we need your support more than ever.

You may have heard that the recent legal decision handed down to us from the Court of Appeals in Findlay, Ohio, did not rule in our favor. As a result, we are reaching out urgently to our community of followers and supporters to ask for your help.

If you support saving the historic Central School building and John L. Johnson auditorium as a community center, please consider donating to our campaign, *"When You Believe,"* to help cover legal costs required to further our mission and stop the imminent demolition of our beautiful historic building. We are making progress towards our goal of occupancy, but we must first secure the building legally to complete the process.

Through your generous past donations, we have been able to continue numerous repairs in the complex, create an adaptive strategic plan to guide work through the legal, financial and operational phases, maintain the facility's monthly utilities, and develop long-term budget forecasts. Our 4th annual Spring ArtsFest has grown in size and scope, and the High School Musical Theatre Competition was once again a great success. During this time, we have engaged additional volunteers, donors, and supporters.

This is your chance to help preserve an important part of our community's history. If each supporter donates towards the *"When You Believe"* campaign, together we can meet the legal and occupancy expenses needed to transform our building into a lasting community center. Our goal is to raise \$65,000 towards the mission of saving the building by August 7, 2026.

You can support this urgent moment in one of two ways. You can mail your check made out to "Cultural Center of Henry County" in the enclosed envelope, or visit www.CulturalcenterHC.org or www.ThreeArchesOhio.com (both go to the same site) for our PayPal link to donate online.

Our campaign for “*When You Believe*” runs until August 7, 2026.

Thank you for your generosity and quick action. Together, we can turn those lights on permanently and create a place where everyone gathers.

Sincerely,

Mark Giannetto
