The biggest selling point is the proprietary membership Unemployment Income Benefit that pays you \$500.00 per month for 6 months (\$3,000.00) if you suffer an involuntary job loss. Look at these statistics: Approximately 40% of American workers report being laid off or terminated from a job up to 3 times in their lifetime career. Job separations are frequent, with over 60% of workers age 18 to 44 end employment within 5 years, and 84% are facing separation within a decade. In Feb 2026, there were 1.72 million layoffs / discharges. Surveys indicate a significant portion of the national workforce (about 23%) loses their employment 3 or more times. (USA Facts)
