EVENT STAFF

- » BUILD + BREAK CREW
- » STEWARDS
- » BAR STAFF
- » RIGGING CREW
- » FRONT OF HOUSE

We operate in the same way as an agency, providing staff for your event whenever you need them. All the event staff we provide have a learning disability and/or are autistic. We provide full 1-1 support for each crew member and we can support you with any reasonable adjustments needed, whilst maintaining a seamless integration with your team.

DESIGN + BUILD

- BESPOKE DECOR
- LARGE SCALE INSTALLATIONS
- EVENT FURNITURE
- VENUE TRANSFORMATIONS

At our Workshop in County Durham, we support young adults to gain work experience, working on bespoke design + build projects. All of our projects incorporate recycled materials and we've worked on everything from giant Phoenix bonfires, to venue fit-outs - converting an old pub into a Royal tea-room (which featured on ITV's This Morning).

EVENT MANAGEMENT

- LOCAL AUTHORITY COMMISSIONS
- STREET FOOD MARKETS
- COMMUNITY, ART + CULTURAL EVENTS
- CHRISTMAS MARKETS

We offer full event management services, delivering high-quality events across the North East and further afield. Our specialty is producing community, arts and cultural events, including a monthly Street Food Market, an annual Christmas festival attracting over 17,000 people, and commissions including the Queen's Jubilee celebration and a heritage festival called HYEM Fest. Commissioning us creates more paid jobs for the people we support.

IN-WORK SUPPORT

- » SUPPORT + TRAINING FOR YOUR EXISTING STAFF
- » ACCESS CONSULTANCY
- » ADD SOCIAL VALUE TO YOUR EVENTS

We offer support for your existing team who may be autistic or have a learning disability. We assist with implementing support your staff may need to succeed in the workplace, including delivering co-produced training for your wider team, and providing a support worker where needed. Our team of lived-experience leaders can support your event or festival to become an inclusive environment, helping you meet your social responsibility and DEI goals.
