

Community Voice Fund

The Community Voice Fund is money that is available to run projects that make life better for adults with a learning disability, autistic people, and their families and carers, living in County Durham.

The project should support:

- Autistic adults
- Adults with a learning disability
- Their families and carers

For individuals you could be given £1,500, £2,000 or £2,500 for your project.

For organisations or groups, you could be given £4,000, £5,000 or £6,000 for your project.
