

Thank You for Supporting Every Child's Voice

At ComuniCabo, we believe that everyday moments can become powerful opportunities for growth, connection, and communication.

At ComuniCabo, we recently held our **HablaFest**, a fun and interactive event focused on helping parents learn simple **strategies to support their children's speech and pronunciation** during everyday activities. Through songs, games, reading books, and even daily routines like doing laundry, families discovered how natural moments can become valuable learning opportunities.

HABLA FEST

"UNIDOS PARA QUE CADA NIÑO FORTALEZCA SU VOZ"

Parents were encouraged to calmly and positively correct specific sounds and words, helping children practice without pressure.

The event highlighted how small, consistent interactions at home can make a big difference in speech development while also helping parents become more aware and involved in their child's progress.

HablaFest also gave the children an opportunity to spend time with other kids facing similar challenges, helping them feel supported, included, and understood.

It was a beautiful reminder for both the children and their families that they are not alone in this journey.

THANKS FOR YOUR DONATIONS

From January through March, thousands of people visiting **OXXO** chose to make a difference. Thanks to that collective generosity, we are proud to share that **together we raised \$183,059.47 pesos** to continue supporting stories that transform lives.

Every peso represents an opportunity. A new word spoken, a more confident smile, a meaningful step forward in the journey of those who need it most.

Thank you to **every customer, every employee, and every person** who made this effort possible.

Thank you for believing, for trusting, and for being part of something much bigger.

Together, we continue creating hope, opportunities, and brighter futures.

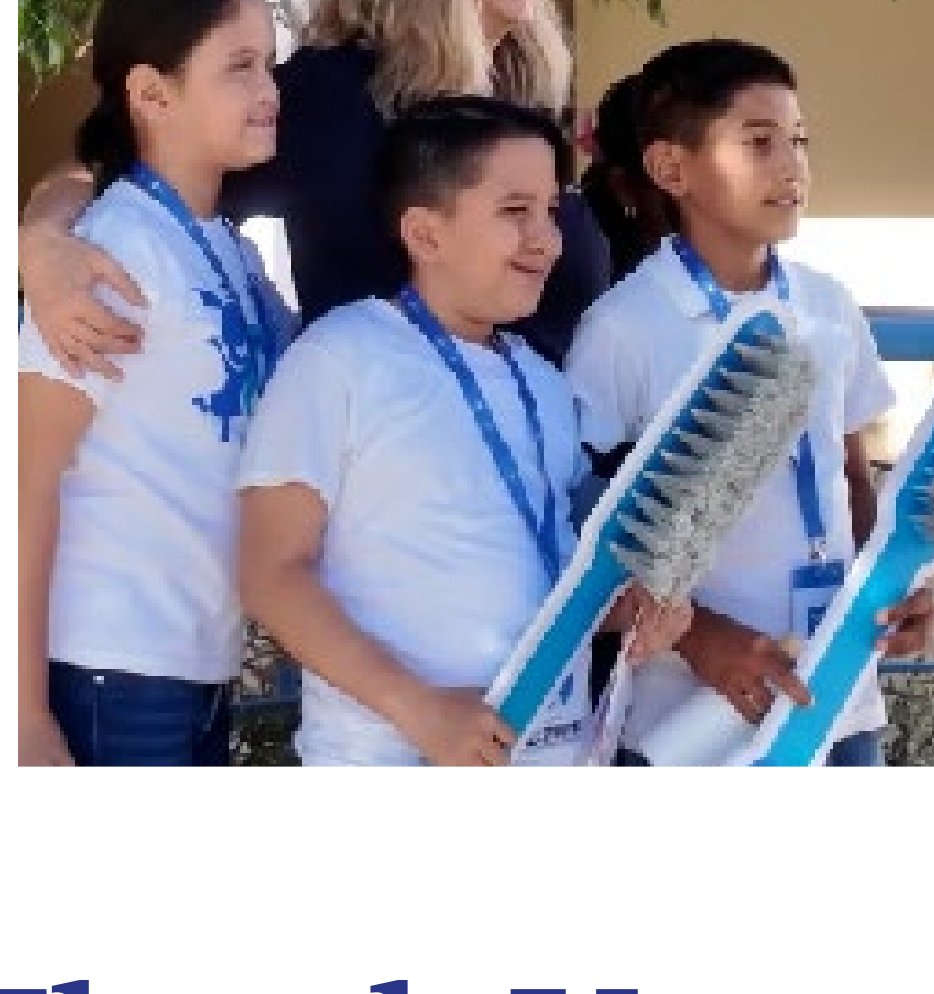

Together for Children's Oral Health

On March 21, in recognition of World Oral Health Day, ComuniCabo participated in the Oral Health Fair in Cabo San Lucas alongside organizations and healthcare professionals dedicated to supporting children and adolescents with cleft lip and palate in Baja California Sur.

The event provided families with an opportunity to learn about the importance of oral health, preventive care, nutrition, and healthy daily habits as part of comprehensive cleft care.

We are grateful to collaborate with partners including Smile Train, Los Cabos Children's Foundation, Secretaría de Salud BCS, and the multidisciplinary team that makes this work possible.

At ComuniCabo, we believe that working together helps create healthier futures and stronger voices for every child.

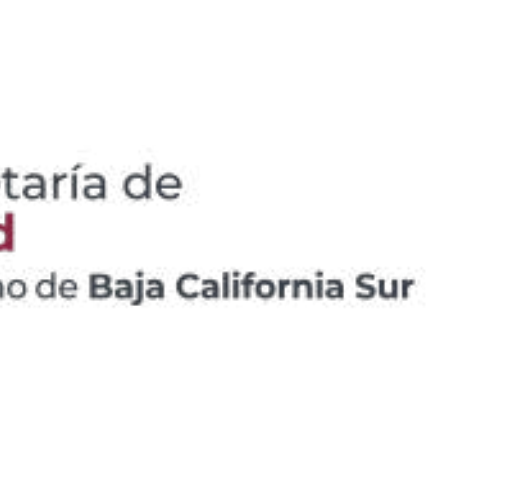

Thank You to Our Partners

At ComuniCabo, the impact we create would not be possible without the continuous support of our partners and sponsors.

We extend our heartfelt gratitude to **Fundación Querencia, Monarca, ICF, Iluminame, Smile Train, Los Cabos Children's Foundation, and Secretaría de Salud** for believing in our mission and helping us provide comprehensive care and support for children and families affected by cleft lip and palate in Baja California Sur.

Your commitment, collaboration, and generosity continue to transform lives and help every child find their voice.

Your Support Creates Impact

At ComuniCabo, we are deeply grateful to all of our individual donors and smaller corporate partners whose generosity continues to make our work possible.

Every contribution helps us provide life-changing support and comprehensive care for children and families affected by cleft lip and palate in Baja California Sur.

Your kindness, trust, and commitment create opportunities, strengthen voices, and change lives every day.

Thank you for being part of our mission and for helping every child find their voice.
