## PROFILE

Dynamic and passionate Costume Designer with 20 years of experience creating character-driven costumes for film and television. Known for a strong ability to manage all phases of the design process, from initial concept to final fittings, while maintaining attention to detail and meeting deadlines. Highly organized with a deep understanding of project workflow and management, ensuring that all designs align with the vision, budget, and timelines. An adaptable and creative problem-solver, capable of leading teams, collaborating across departments, and staying flexible in fast-paced, high-pressure environments. Skilled in multitasking and balancing multiple projects while maintaining a high standard of quality and craftsmanship. Eager to bring expertise in design, communication, and leadership to contribute to innovative and engaging productions.
