

# PTARMIGAN SKI CLUB

## SCHOOL SKI CLUB

### SCHOLARSHIP APPLICATION

#### Dear School Ski Club Advisor,

The Ptarmigan Ski Club has run several events to raise money to fund School Ski Club Scholar-ships. We'd like to continue our giving program again this year.

Attached to this flyer is an application form that must be submitted to apply for a scholarship. We are seeking applicants who, without a scholarship, would be unable to participate in the School Ski Club Program at Blue Mountain. We are asking Ski Club Advisors to recommend a student for this scholarship and have them fill out the application with permission from their parents. You are the final arbiter in the selection process. We have attached an income table that will help guide you in selecting a student applicant.

*This could be you! It's never too late to begin skiing...join the club!*

**2024/25**

\*Applicant must be participating in a School Ski Club. \*Applicant must be a Pennsylvania resident. \*Applicant must not have received the scholarship previously. \*Only one application per family.
