

Thank you for your interest in the ALTAR INTENSIVE. In this live, in-person comprehensive course, we take the content from the ALTAR School of Worship and consolidate it into an impactful interaction that is meant to challenge hearts, strengthen the link between the Living God and the gifts He's given us, and to bolster confidence in shaking the earth through sound!

Along with the intensive comes access to the ALTAR School of Worship online video course, and ongoing interaction with our leaders. The course will last one full day and will cover these vital subjects:

- 1. HALLELUJAH: A FRESH PERSPECTIVE ON INTERACTION WITH GOD**
- 2. WORSHIP IN SPIRIT AND TRUTH**
- 3. OVERCOMING RELIGIOUS MINDSETS**
- 4. UNDERSTANDING THE WORSHIP WAR**
- 5. SOUND AND PROPHETIC WORSHIP: THE SKILL OF LEADERSHIP**
- 6. TEAM BUILDING**

AND MORE

Your confidence to lead will quickly increase, and you will be fully equipped to go beyond the norm and break into a new, powerful, effective expression as you partner with heaven's purpose.

The base price for the intensive is \$2500 plus travel costs for 2 people. Again, this is a full day of teaching, interaction, and practice, and includes a time of worship and demonstration.
