

Can Do Canines Open House
Saturday, November 7, from noon to 2 p.m.
9440 Science Center Drive, New Hope, MN

Potential volunteers, clients, or anyone who might be interested in finding out more about our organization can join us to learn how an assistance dog changes the life of a person with a disability.

Through a self-guided tour, attendees will be able to watch a trainer working with an assistance dog, hear from a volunteer dog host, talk with staff members from the volunteer department, pose questions to client services coordinators about the application process, and meet graduate teams from five of the types of dogs Can Do Canines trains: hearing, mobility, seizure, diabetes, and childhood autism.

There is no pre-registration for this event, though attendees will be asked to share some contact information when arriving.

To request a sign language interpreter for the Open House, please contact Laurie at lcarlson@candocanines.org or 763-331-3000 at least two weeks in advance. We'll do our best to accommodate late requests, but availability is not guaranteed.

More information about Can Do Canines is at CanDoCanines.org.
