

**LEO REPORT****LION MIKE PEACH, LEO CHAIR****Date:****JANUARY 2026**

First off I'm pleased to announce that the Eden Prairie Lions are having their Leo Installation Ceremony on Monday January 19 at the Buca in Eden Prairie. All cabinet members were invited, I hope you can attend.

Next, I met with the Brooklyn Center Lions to discuss the formation of their Leo club at Park Center High School. Despite their and the Brooklyn Park Lions best efforts, the school felt they would not be able to pursue a Leo club this school year, citing staff issues. It takes a lot of effort on the school side of a Leo club and is often problematic.

Armstrong has the same issues but has not thrown in the towel yet. We're doing all we can to assist them.

As I write this everything is a "go" for the Leos at our Midwinter Convention. I hope you were / are able to stop by Friday evening to see what they do.

As always should you need anything please give me a call or a text at 612-369-5045. Thank you.
