

### **1<sup>st</sup> VDG Bruce Strachota**

- I had 1<sup>st</sup> VDG training October 16 and 17 in St Cloud.
- At the training I learned that a “status quo” club, defined as a club with less than 10 members, may be scrutinized by LCI but will be ok if they are still active, are doing Lion’s activities, and are not > 90days past due on their bills with LCI.
- I participated with my fellow 1<sup>st</sup> and 2<sup>nd</sup> VDGS in a Habitat for Humanity project building playhouses for children.
