

KIDSIGHT FOUNDATION

Submitted by: Lion Tim Conaway

Date: 8.10.2026

List highlights of what is new with your area of cabinet service since our meeting on March 30, 2026.

KidSight finished the 2025-26 Lions year strong. In MD5M, we screened more than 84,000 kids with more than 12,000 referrals.

In 5M-5 we screened more than 8,400 kids with well over 1,100 referrals.

List what your area of cabinet service is planning this lion year.

The Exciting news for the upcoming year is expansion into more schools. The great new opportunity is to screen in the Minneapolis Public Schools.

This project is such a large undertaking in and of itself that we are looking for a Lion to coordinate the program with the aid and guidance of the Lions KidSight District 5M-5 Directors. The person need not attend every screening but solidify schedules with the School System and line up the necessary volunteers.

We are hoping to increase participation by Lions in 5M5, particularly in the Minneapolis area. At this writing, we are still short of volunteers for KidSight screening at the Minnesota State Fair.

District 5M-5 has two days for screening, Wednesday September 2 and Monday September 7.

For Wednesday, we are short three people in the afternoon and early evening.

For Monday, we need six more people at varying spots during the day.
