DISTRICT GOVERNOR

Lion Kim Schommer

Hello Lions of 5M5,

Happy August! This summer is just flying by! I have had a very busy first month as District Governor. I have completed my first few club visits, attended some events and had my first Council of Governors Meeting.

My first club visit was to see the Minneapolis Northeast Lions on 7/9. It was a fun night. I installed their 2024-2025 officers handed out chevrons and other awards and inducted a new member. I love visiting this club! They are high energy and keep most of their service in their own community. Thank you for all you do!

I volunteered to work at the Hamel Rodeo on MN Childhood Cancer Foundation night, 7/11. I was stationed at the gate handing out programs. I worked with many other 5M5 lions and also lions from other districts. We had various roles such as scanning tickets, handing out programs, serving food and other duties. It was a fun night! I suggest everyone check it out next year if you haven't ever been.

On Monday, 7/15, I was invited as a guest to the Eden Prairie Lions meeting. Past International President Brian Sheehan spoke at the meeting and installed their officers. It is always great to hear PIP Brian speak and motivate Lions to serve and share his travels as IP. I will also be a guest on Eden Prairie's TV show in mid-August. Thank you for the invitation.

On Tuesday, 7/16, 1VDG Sara and I attended the Wayzata Lions annual summer picnic. It was a great night and the food was delicious it was prepared by member Jean Paul and was excellent. It was a great casual atmosphere and it was an honor to induct the 2024-2025 officers and hand out some awards. They had a potential member at the meeting who wasn't sure if he was ready to join, but by the end of the night he had decided that he would become a member of the club. There were also a few family members of lions at the meeting that may be joining the club as well. Thank you for inviting us to your picnic!

Thursday, 7/19 I went to see the Robbinsdale Lions at the Wicked Wort. It was a fun venue and the food I ordered was delicious. The speaker for the evening spoke about the Graeser Park restoration. It was an informative and well-thought-out presentation. I installed the 2024-2025 officers with the 'Candy Bar' installation – this was my first time doing this installation ceremony and it was fun! I also inducted 5 new members into the Robbinsdale Lions.

I also brought Lion Michael Crenshaw with me as part of my 'Cruising with the DG' program. If you would like to come with me to a club visit (other than your own club), I will present you with a special limited-edition pin. If you are interested in participating, please let me know. Thank you Robbinsdale Lions for having Michael and I there.

Friday, 7/20 I attended the welcome home party for PIP Brian and Lori Sheehan in St. Cloud. They are finally back in Minnesota for a while after several years of pretty much solid travel. It was a fun evening full of friendship, fellowship and stories.

The first 2024-2025 Council of Governors meeting was the following morning. It was a great experience learning the ropes at the COG as a governor. I look forward to the rest of this year and decisions and discussions yet to be made.

I have several other club visits scheduled for the coming weeks and months. If your club has not yet reached out to me to schedule your visit, please do so. I will be sending out an email to the clubs I haven't heard from yet within the next few weeks.

Thank you all for your service to your communities! I appreciate all that each and every one of you does for your club and your community.

Yours in Lionism, Kim Schommer, 5M5 District Governor

1st VICE DISTRICT GOVERNOR

Lion Sara McFee

Greetings Lions,

We're on a Mission to Grow!

MISSION 1.5 is a challenge to reach 1.5 million Lions members across the world by July 1, 2027. By increasing membership, we will better meet the needs of our communities. We'll be able to serve more people and support more improvements in our communities and globally.

5M-5 Lions can support MISSION 1.5 by:

- Inspiring service with fellowship and fun
- Revitalizing our existing clubs
- Starting new clubs

Just Ask

- **Ask members to ask a friend or family member to join your club.** *(Challenge club members to invite someone to attend a fundraiser or service effort - a great first step to bring new members into your club.)*
- **Ask members, and listen to, what ideas they have to improve your club's service, fundraising, and impact on your community.** *(Your members, including new members, have great experience and ideas for your club. "Change Up" traditional ways for success!)*
- **Ask your club members what they would like to do within your club, and support their interests.** *(If you don't ask or allow others to step up, you miss out on experience, creativity and renewed energy for your club's activities.)*
- **Ask other clubs to help your club with a fundraiser or in service.** *(Some clubs need more volunteers with activities. It is a good thing to reach out to other clubs to volunteer with your service or fundraiser.)*
- **Ask other clubs how your club can help with a fundraiser or service.** *(Lions helping Lions. Clubs helping clubs. It is a good thing to reach out to other clubs and help them have successful events.)*
- **Ask other Lions for ideas that may help your club.** *(Reaching out for ideas on developing your fundraiser or service can be very helpful.)*
- **Ask how your club or you can support starting a new club within our district.** *(Offering to sponsor a new club or branch club brings more Lions into our District. Serving as a Guiding Lion helps clubs grow and succeed.)*

5M-5 Lions have been busy this summer with golf and pickleball tournaments, steak fry and bake sales events, rodeos, bingo games, community parades and festivals and looking forward to more in August, including the Minnesota State Fair.

It is always fun to serve with you!

Sara McFee,
5M-5 First Vice District Governor
5M-5 Co-Trustee, Minnesota Lions Diabetes Foundation

5M-5 Pump up the Pride 4
The Pump up the Pride initiative is a 3-year membership program that encourages Lions to bring in new members and Clubs.

- Two sets of pins.**
 - The 1st Pin (1" pin) -** A special Pump Up the Pride pin for any member that sponsors a new member.
A star hanger for additional members sponsored, 2 or more.
 - The 2nd Pin (1.5" pin) -** Every club that has a plus 1 or more increase in membership, the Club President receives a larger version of the pin. Pins also can be earned for sponsoring a new club or a new branch club.
- Banner patch (3" Patch) award for the clubs that end the year at least plus 1.**
Clubs could earn 1 patch for each of the 3 years.
- Membership Growth Flag 30x42**
The club with highest increase in membership at end of the lion's year receives the traveling flag for the year.
If same club wins flag for 3 years in a row, the club keeps the flag!

Make Your Mark

"Everywhere we serve, every time we give, we bring kindness and compassion, change and hope. And we make our mark on the lives we touch and the communities we serve." ~ International President Fabricio Oliveira

Our International President challenges all Lions to 'Make Your Mark' this year by finding a need and helping to fill it. What specific needs does your community have? Consider the following:

- Is your local library, park, or school in need of support or resources?
- Could a nearby food pantry use donations and volunteers to help fulfill orders?
- Is there a stretch of road or river that could benefit from a cleanup effort?
- Do local schools or daycare centers lack books, toys, cleaning supplies, or safety equipment?
- How could your club enrich the lives of residents at nearby nursing homes or long-term care facilities? Could you commit to reading to them weekly or organize a visit from singers in your club?

Look around you, think outside the box, and bring your ideas to your club. Commit to one or two new projects that speak to the unique needs of your community.

Remember to put your service into the Lions portal. If you are having trouble, ask another club's secretary. It is important to report the good work Lions are doing.

Please contact Lion Bernie Braegelmann (bernxieo@gmail.com) or Lion Jodi Altenhofen (magnu007@umn.edu) if you are willing to mentor another club on getting service recorded in the portal.

MN LIONS CHILDHOOD CANCER FOUNDATION

What does it take to have a successful event? Volunteers, lots and lots of volunteers. Hopefully the Hamel Rodeo will become the signature event for the Minnesota Lions Childhood Cancer Foundation. Many thanks to those Lions who stepped up. Braving the hot sun and tirelessly contributing time and energy exemplified the true spirit of community service. A few pictures of your Lions preparing for the event.

MINNESOTA LIONS DIABETES FOUNDATION

We're on a Mission to Find a Cure for Diabetes!

In July our foundation met to tour and learn from researchers at the University of Minnesota (U of M) who are working toward a cure, and treatments, for diabetes. Some highlights of the U of M research:

- Lions support of the regulatory T-Cell therapy has led to a cure for diabetes in mice. Next step, research humans!
- Lions support of the Lions Islet Imaging Lab led to development of the first MRI scanner to measure oxygen within a graft – a measure of graft health. People with Type 1 diabetes do not make insulin because islet cells have been destroyed. Surrounding islet cells with tissue-engineered grafts can keep the islet cells healthy and releasing insulin.
- Lions support has helped researchers study and maintain long-term survival and function of pancreatic islet transplants following discontinuation of all anti-rejection drugs on day 21 after islet transplant in non-human primates.
- Anti-rejection drugs used following organ and tissue transplants suppress the immune system. Eliminating the need for chronic immunosuppression would substantially lower the risks associated with islet cell transplants in individuals with Type 1 diabetes, and islet replacement therapy could become the treatment option of choice for many more people who live with diabetes.
- Lions support research on cell senescence – a process in which non-immune cells become inflammatory immune cells. Lions supported the development of HTS01037, a special compound that blocks cell senescence and prevents Type 2 diabetes in animals. Next research will focus on how HTS01037 blocks senescence.
- Eating and diabetes. Research has begun on eating patterns and the impact of intermittent or time restricted fasting on HBA1c (a blood test that shows average blood sugar levels within past 2 to 3 months) results and weight control in people with diabetes.

Your Support is Appreciated

Your contributions to Minnesota Lions Diabetes Foundation (MLDF) helps us support research, education, screening, and other programs and services related to diabetes.

We look forward to seeing you at the Lions' Foundations exhibit in the Education Building at the Minnesota State Fair and talking with you at your club meetings and events.

MD5M LIONS KIDSIGHT

As we have posted in the last few months KidSight will be at the State Fair again this year. We need your help! We have many open shifts. District 5 will be screening Wednesday, August 28 and Labor Day, September 2. As of this writing we had 2 open shifts on Wednesday and 9 open shifts on Labor Day. They are 3½ hour shifts. Please consider volunteering. The State Fair sign up genius is

<https://www.signupgenius.com/go/5080D45ADAC2FA7F58-48608689-state#/>

KidSight screenings are in the KARE 11 Health Care building. You do not need to know how to use the scanner to help. We need volunteers for greeting the kiddos with parents, help with getting consents, giving them the result sheets, and handing out sunglasses. The kids love them! You will also get an admission ticket compliment of KARE 11. There is also a free volunteer parking lot available.

It is a great service project for you and the members of your club. It is the only service project in our multiple that involves all our districts. There are also many other days besides District 5's assigned days that have openings and if any of those days work better for you please sign up for one of them.

It is "back to school" time and a child having vision issues would benefit from having it be diagnosed and treated, if necessary, at the beginning of the school year. Screening these children at the state fair would be a first step. You could be the one to help a child have success in school.

Job Descriptions for Screening at the State Fair:

Team Lead: District Directors

Vision Screener: (2 positions each shift) This person will be responsible for doing vision screening using the Hill Rom SPOT Scanner or the Plus Optix.

Greeter: (2 positions each shift) This person will be responsible for standing in front of the booth and greeting people with children asking them if they would like to have their vision checked. This position requires standing, approaching people and explaining the vision screening program.

Escort: (2 positions each shift) This person will receive the consent form from the Greeter and bring the child and family to the vision screener. Once completed they give the parent the appropriate form and sunglasses to the child. This position is suited for a Lion that likes paperwork and detail. This position also requires standing.

Summertime has us screening at various community events such as the Maple Grove and Eden Prairie Corn Feeds. Fire Department Open Houses and Back to School events are on the calendar.

We are always ready to have more Lions be involved in this fantastic program and look forward to having more of you participating...for the best interest of the children in your area.

Contact us if interested and we would also be glad to speak at one of your meetings.

I want to say a special thank you to DG Lion Kim Schommer for everything you did for Leader Dog for the Blind. I hope to keep that going and try to make it even bigger.

I would like to introduce myself: I am Lion Michael Crenshaw from the Brooklyn Park Lions, and I am the Chair for 5M5 Leader Dog for the Blind. I look forward to visiting each of your clubs this year and talking about what Leader Dog is and what they do. If you would like me to come out to your club, please email me at bplionmichael@gmail.com with the information.

I look forward to meeting with you all and sharing the incredible work that Leader Dog can do.

LEADERSHIP DEVELOPMENT I

LOCAL INSTITUTE PROGRAM

RLLI Training (Regional Lions Leadership Institute)

November 14-17, 2024 Detroit Lakes Holiday Inn

RLLI participants learn more about club operations, and opportunities and resources available to clubs while developing valuable leadership skills and a deeper understanding of how to better serve clubs.

ELLI Training (Emerging Lions Leadership Institute)

March 13-16, 2025 Site: TBD

ELLI is for Lions who wish to pursue leadership roles within their club. You will learn the history and goals of LCI and LCIF, develop strategies for being an effective leader, creative thinking, change management and collaborate with a diverse group of fellow Lions.

You qualify for trainings if you:

Are a current member in good standing
Have an interest in becoming a better Lions member.
Enjoy meeting other Lions and sharing ideas
Like having FUN!!!!

Participants are required to:

Attend all sessions of the three-day institute.
You may commute to trainings if you attend
all sessions and can do so safely.
Complete pre-assignments prior to beginning
of training weekends

Contact your Global Leadership Team (GLT) District Coordinator or District Governor to register

Perks!

- free non-alcoholic beverages and snacks
- free weekend admission to the fair
- free parking on the day(s) you volunteer
- free beverage ticket that can be used for an alcoholic (or non-alcoholic) beverage (1 ticket per shift)
- volunteer appreciation party after the fair
- free snazzy t-shirt
- \$10/hour Lion's Club Donation
- New perk for 2024: Entry into a drawing for a trip for two to Ireland, thanks to the generous donation of tickets from Aer Lingus. (One entry will be awarded for every shift completed).

Role: The Treasury area preps, counts and reconciles the cash at the fair. It's a lot more fun than it sounds, trust me! We have amazing managers (Julia for one) that will do the heavy lifting.
