Fellow Lions,

A thank you to all clubs at the convention for the Eco-Friendly rooms and all clubs throughout the year in recognition of the Environment for upcoming Earth Day April 22nd, and reporting Earth Day activities all year long.

At the Mid -Winter we had the district elections, DG, FVDG, SVDG, now is the time to start putting together your clubs, election committee, candidates, and process for conducting elections good luck to all in fulfilling the positions.

January 25th, I had the pleasure to attend Osseo Lions meeting great attendance tail twisting, club business taken care of, and review of upcoming events, a guest was in attendance looking to join congratulations on growth of new members your time and effort is greatly appreciated.

Attended a joint meeting of the Eden Prairie Lioness/Eden Prairie Lions clubs on February 5th. Camp Eden Wood very busy evening with both clubs reporting activities throughout the year. Guests were in attendance for new membership for both clubs congratulations on new member growth and future new members bringing new skill set and ideas.

February 15th, I had the pleasure to attend Northwest Tonks Lions General Membership Meeting. Great attendance and a guest looking to join the club and be a part of Lions and Service within the Community. Working on Scholarship activity's, I also had the pleasure of handing out Chevron service awards, along with Campaign 100 Model Club plaque for their time and effort during Campaign 100 congratulations.

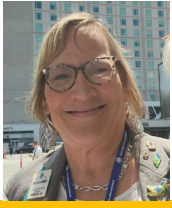

I attended a joint meeting between Lions Clubs Wayzata and Minneapolis SW. A great evening of membership and discussion on service projects fundraising and donations to the community. There were awards given out also, there were Lions service awards Chevrons given to both clubs for time in Lions. Campaign 100 Model club was also presented to Wayzata Lions Club for their work on LCIF Goals.

I also attended the Hamel Lion's meeting. I had the pleasure of giving out awards and inducting a new Lion Member to the Hamel Lions. Their average age is dropping down and with new members they bring Enthusiasm, Ideas, and Skill set to the club. Congratulations Hamel Lion's.

As always keep in mind of reporting all service and fundraising projects hours involved and number of Lions involved monthly, throughout the year.

I look forward to meeting with the Lions Clubs of District 5M-5 throughout the year.

Take Care. Yours in Lionism,
DG Dick Kentzelman

DISTRICT GOVERNOR ELECT

Lion Kim Schommer

Hello Lions of 5M5,

I hope this finds you all well! I know several clubs have or will be having pancake breakfasts and other fundraisers and service projects this spring. Please try to support other clubs' events whenever you can.

This month I will be attending DG Elect training in St. Charles, IL with all 780+ governors from 200+ countries.

I am looking forward to learning about the different things Lions do around the world. It should be very interesting.

I will also be attending MD5M DG Elect training as well this month.

I look forward to learning as much as I can about how to be the best DG I can next year.

Thank you to each of you for all you do to serve those in your community.

Every one of you makes a difference every day.

Yours in Lionism,

Kim Schommer

District Governor Elect – 5M5

1st VICE DISTRICT GOVERNOR ELECT Lion Sara McFee

Greetings Lions,

Service. Fellowship. Fun.

That's what brings Lions together. That's what grows Lions impact.

Our District makes an impact!

We've served more than **227,741 hours** since July 1.

- We've helped more than **21,520 people** through more than **826 service activities**
- Our reach extends much more as we've donated more than **\$718,563** to Lions foundations and needs throughout our communities.

5M-5 has small clubs. And we've got clubs that exceed 100 members. We can help grow our clubs by supporting each of our clubs.

- **Invite nearby clubs to attend your club's social / speaker dinners.** Great fellowship for our Lions. Great for the speaker who is presenting to more people.
- **Invite other 5M-5 clubs to perform service with your club.** This is especially helpful for smaller clubs who may not take on a service effort because they think they are too small. Combined with your club, and other clubs, service expands and each club gains visibility within our communities.

Growing our District

Sharing service activities and sharing social / speaker dinners is one step. Encouraging your club members, and other participating clubs, to **bring prospective members** is a next, and very important step.

When Lions bring potential members to activities and events, prospective members experience the fun and fellowship that is such an important part of being a Lion. It opens the door for new members.

Our service, in kindness, is strengthening our communities and changing the world! Thank you for all that you and your club are doing to make a difference.

MEET THE CANDIDATES- Dennis Kelly for International Director

Hello Lions,

As some of you already know I am seeking the endorsement of our Multiple District for the office of International Director of Lions Clubs International.

I have dedicated my Lions' life to service and leadership. A commitment to help make my community and world a better place by working with other Lions to make a difference, to leave things better than the way they were before. To lead by example and inspire and motivate other Lions to do the same. To continuously challenge present day thoughts and actions to make sure that the path we are on is the best for our members, clubs and association.

I have spent most of my Lions career and my private sector career in management positions. Leading teams, managing groups of people, giving guidance and motivation to team members and leaders to help them reach their goals and potential. I will continue to do this as a member of the board.

Being able to represent our Lions and our association at the International level requires a team approach. I have an amazing service partner, Lion Cheryl. She is a proven leader and motivator who is dedicated to our motto, "We Serve." We both believe in the concept of servant leadership. This is a leadership approach that puts serving others above all other priorities. Rather than managing for results, a servant leader focuses on creating an environment in which their team can thrive and get their highest-impact work done.

In our district 5M6, I have served as a trustee to the MN Lions Vision Foundation, twice as District Mid-Winter Convention Chair, and as the District Global Leadership Coordinator. In this role I developed the Club President's Happy Hour. A quarterly gathering of club presidents to improve the communication between the clubs and district leadership.

In our multiple district I am currently the Global Leadership Team Coordinator, responsible for all leadership development and training, RLLI, ELLI, and FDI as well as District Governor Elect and vice district governor, I have held this position since 2019.

I also was instrumental in starting the KidSight program and have held the position of Chair of the Board of Directors of the MD5M Lions KidSight Foundation, Inc since 2017. Our Lions have screened over 125,000 kids since this program began.

My experience on the club, district, multiple district and international level has positioned me to be able to fulfill the duties of a member of the International board. Lion Cheryl and I pledge to do our best to represent our Lions and help to make our association the standard to which all other service associations are measured.

To read more about my experience and qualifications please visit my website: teamdennis.net and visit our Facebook page, DK3 for ID. You can also email at teamdennislion@gmail.com with any questions or if you would like to support my campaign.

We hope to meet many of you at the mid-winter convention.

Your consideration of my candidacy will be greatly appreciated.

Lion Dennis

MEET THE CANDIDATES-

Bruce Strachota for 2nd Vice District Governor

Hello, my name is Lion Bruce Strachota, and I am running for the office of 2nd Vice District Governor for Lion year 2024-2025. I have been a member of the St Louis Park Lions Club since 1999. In those many years I have been President, Vice-President, Secretary, Tailtwister and Board member. I have chaired many events over the years. In the district I have held the office of zone chair (2014-2015) and Region Chair (2015-2016). I have also served on the 5M5 cabinet as USA Canada Forum Chair. I have attended Regional Leadership training and am a Certified Guiding Lion. I have received the following awards: Lion of the Year (twice), Pancake Award (twice), Club Chaplain Award (twice), Everyday Hero Award, as well as the Melvin Jones Award. I am currently serving as Club Secretary and Zone Chair for Zone 1. I am also a certified KidSight screener.

What caught my attention and continues to capture my attention are the stories that recipients of cornea transplants and cochlear implants have to tell about how the Lions have effected their lives so dramatically. I really feel the impact of being a Lion when I hear these stories firsthand. I have attended many conventions including Midwinter (continuously from 1999 on), Multiple, International and USA Canada Forum (4 times). I would be humbled to have the opportunity to serve as 2nd Vice District Governor and will always do my best to serve people to the best of my ability.

Outside of Lions I am very active in my church. Currently, I am council president of my congregation and have also served as musical director of the Sunday school choir and have directed many Christmas pageants. I currently am a member of ESA (Epsilon Sigma Alpha-a non-collegiate sorority that raises money for St Jude among many other organizations). I served as president of my chapter for 2 years and have been on the planning committee for the state convention. I have also served as Chaplain for MN ESA. I am employed by Edina Realty and have been with them for over 20 years.

GLOBAL LEADERSHIP TEAM (GLT)

In addition, any Lions that would like to learn more about officer duties are welcome to attend. The KidSight Foundation will be the recipient of the Silent Auction at the MD5M Convention in Winnipeg on April 19-21. We are asking for donations to the auction from every 5M5 club. Because of the restrictions of crossing the border and back, gift cards or cash donations are accepted and encouraged. There are questions as to what can be in the gift baskets since it is in Canada. We can bring gifts into Canada if the value does not exceed \$60 per gift. For a list of food etc. that we can bring, please go to:

inspection.canada.ca

It would be great if we had many Lions from 5M5 attending but we can take your gift baskets/gift cards if no one from your club will be attending. Contact us with questions.

We are overwhelmed and so very grateful for the generosity of those Lions Clubs that donated to the KidSight Foundation for the "Parade" of Green at the Midwinter Convention. It is very much appreciated! Thank you!!

The Midwinter Convention was one of the best. Thank you to those organizers that worked so hard putting it together. There are no words to describe how surprised, humbled and so appreciative of the International Leadership Award presented to Lion Bill and the International Presidents Award to Lion Shari. We do what we do because we love it and really feel we are servicing our districts' children. Kudos are never necessary but very much appreciated.

After an extremely busy end of the year screenings have slowed some. We are concentrating on preschools and the Spring pancake/waffle breakfasts. We would like to get more clubs screening the kids in their club's area and we would be glad to get you started. We cannot stress the importance of giving these kids the opportunity to have clear vision. The kiddos in your clubs area deserve it.

WINTER IS COMING TO UKRAINE Part 2 JOIN US!

Winter 2023 - there was a huge need for generators!

Last Winter we joined our forces to support schools and kindergartens with a huge success! After 3 months, the result was astonishing: **Over 2260 generators, over €1,5 million collected, 13 participating European countries, over 300.000 children in Ukraine helped!** *Read the full story: [Winter is coming to Ukraine](#)*

WINTER IS COMING TO UKRAINE Part 2!
This Winter we need to join our forces once again to build and deliver wood running stoves to the households of southeast Ukraine together with LCIF!

There is a huge need for stoves in the southeast Ukraine. As gas or diesel fuels are scarce, people need to use wood to cook their food and warm their homes. We are proud to say that we have Lions involved all the way, from the production till delivering to the families in Ukraine! We have 100% LIONS control joint LCIF project.

This LIONS LCIF stove meets all needed requirements: it is effective, made of steel, perfect for heating, it has a big surface to cook food, it has ash box to collect ashes and to control the draft, it comes with instruction manual included, both in English & Ukrainian.

The cost is only €150 per unit! Or \$225.00 Canadian or \$165.00 USD!

For that you get a stove made in Finland, transported to Kharkov, Pavlograd, Zaporizhia in Ukraine and delivery to families in need!

Stove will also have a huge LIONS LCIF Logo, laser engraved on the cooking surface, so user will be reminded every day that we LIONS LCIF, helped!

Just DECIDE the number of stoves and DONATE!

All donations large or small are welcome!

Your donation does not have to equal the full amount of the stove to be accepted.

Canadian Lions and Lions Clubs can send their donation to: **E-transfer**
- info@lionsfoundation.org

**Cheques and Money Orders to: Lions Foundation of Manitoba and Northwestern Ontario
302 Sherbrook Street

*Please include: Lions Club or Individual name, full mailing address, District/Lions Club/Member numbers and indicate if a charitable receipt is required.

**All individual and Club donations are eligible toward Melvin Jones Fellow, club commitment to LCIF, model club, etc. Because these are designated funds, they are not eligible for community impact grants. All donations count toward CA2 and CA1 LCIF goals.
