

5M5 District Peace Poster Report

The theme for the 2024 – 2025 Lions Club International Peace Poster contest has been announced, it is:

“Peace Without Limits”

Summer isn't usually a busy time for this contest, because it's often run through schools, so it really kicks into gear in the fall. But, there are no rules that the kids that participate are from a school art class. They could also be enrolled in vacation bible school, or a summer rec program. Consider these possibilities if your club supports any sort of camp, or youth group activity that is targeted to those between the ages of 11 and 13.

Kits are available now, to be ordered through the LCI website, for just \$11.95 + shipping.

As always, if your club is interested in learning more about the contest, I'm happy to attend a meeting and fill you in on how I've been administering it for the Bloomington Club. It can really be done pretty easily, and it's a great way to introduce Lionism to kids and their parents.
