

Zone 2 Report

NW Tonka Lions - Held a Northwest Tonka Lions community building event at Back Channel Brewery as part of a new membership drive. Donated \$7,000 to the Westonka Food Bank last month. Volunteered at the Polar Plunge event in Mound last month. Silent Auction for MN Foodshare / Westonka Food Shelf March 10th - 17th. Awarded Model Club by Governor Dick. Follow on Facebook - Northwest Tonka Lions.

Orono District Lions - Due to poor ice conditions, our Snowball Open was canceled this year - much time and effort down the drain. We will participate in Buckhorn Day with the Long Lake Chamber. We are meeting with the City of Orono regarding the possibility of a picnic shelter at Orono Golf Course. We will do Adopt-A-Highway in early May and cemetery cleanup the weekend before Memorial Day. A new fall event and a Senior Center for Long Lake is on our wish list. Orono Community Ed wants to meet and explore volunteer opportunities.

St Boni Lions - Not too much going on here right now. My reports are up to date on the international site. We will start our concession fundraiser in April at the ball fields. We may have a couple of new members hopefully by the next meeting.

Edina Lions - No Report (3 attempts)

Eden Prairie Lions - We have our Pancake Breakfast coming up on Sunday, April 14th. We are also taping our next Eden Prairie Lions TV show in April. We've been highlighting the recipients of the money raised at our various events and will continue to do so over the next few months. Our shows are out on YouTube and more are being added all the time. Schooner Days is fast approaching in June.

Over the last several months and for the next few months we will be adding a second membership meeting each month due to an excess of wonderful speakers on our roster and membership interest.

Eden Prairie Lioness Lions Club - No Report (2 Attempts)
