

Zone 3 Report

Excelsior, Hopkins, Mpls Ambassadors, Can Do Canines, Downtown Next Generation, and Northside Roaring Lions Clubs

Club visits with Can Do Canines and Downtown Next Generation

Excelsior(+19), Hopkins(+1), and Can Do Canines(+1) have all added members 😊. Elections are in the process, and some clubs have wrapped up the election process. Clubs are getting ready for spring and summer service projects and working on recruiting and maintaining members. Minneapolis Downtown Next Generation and Northside Roaring Lions are celebrating anniversaries during the month of March.

Hopkins Lions has a Gerten's Fundraiser in process.

Hopkins is also interested in partnering with other clubs for the tree planting mission. They are looking at partnering with MN DNR too as we do not necessarily have open spaces to plant large number of trees.

Please encourage your members to also attend the upcoming All Club meeting on April 1st-(no joke), at the Crystal VFW @ 5:30. RSVP at Lions5m5zoneinfo@gmail.com your choice of Grilled Chicken or Meat Loaf.
