Zone chair comments on club:

I visited this club and found them very engaging. They held their regular meeting and then introduced me. We talked about all the events coming up such as All-Club Meeting, MD5M Beach Party Convention. Because they have a gambling license they get requests for donations. Tonight they had a presentation by the Westonka Boys Volley ball - these boys were well spoken and gave a great presentation for their fundraiser. Upcoming events are the Lions Bartending Beat Hunger Bash on March 7, Chili Bowl on March 14. We also discussed the district wide recruitment video due March 20 Currently this club is actively training a new Secretary and hopefully will have all their Service Projects completed

Zone chair comments on club:

Our club has been busy doing monthly service projects. February they made Valentine Cards for a senior home, they had guest speakers during the month of March which the project was to get personal hygiene products for Vail Place, a place for mental health and well being in Hopkins. Shopping was fun for this project! We also added some Easter treats for them to share. We promoted to volunteer your time for the Circus and earn money for our club. Gertens plant sale is also going on and the sales look good! The Hopkins Lions Club is donating a gift basket worth \$100.00 with proceeds going to the MD5M Convention - Tickets will be sold at the Cabinet Meeting 3/30 and also at the All-Club meeting on 4/13
