

## 5M5 District Peace Poster Report

The international winner of the 2025 – 2026 contest was Yifan He from China. If you're reading this report as part of the informer and want to copy and paste this link you can see a video of her accepting the award and sharing a bit about what winning the contest meant to her.

The theme for the 2026 – 2027 Lions Club International Peace Poster contest has been announced, it is:

“Harmony in Humanity”

Here's what the LCIF website says about the upcoming contest:

When we treat each other with respect and kindness, peace can flourish. This year, we invite young people to imagine a world where people of every culture and background live together peacefully — celebrating differences, finding common ground and creating true harmony in humanity.

Spring / summer aren't usually the times of year that we think about this project as the posters aren't submitted until November. But, why not – no reason this couldn't be a vacation bible school activity, or a summer day camp activity.

As always, if your club is interested in learning more about the contest, I'm happy to attend a meeting and fill you in on how I've been administering it for the Bloomington Club. It can really be done pretty easily, and it's a great way to introduce Lionism to kids and their parents.
