

Hello fellow Lions!

The advent of the new school year has settled and with it our Leo clubs are becoming active. There were many staff changes in the Advisor and Liaison roles and all have been filled, updated and contacted except for one Lions club which shall remain nameless for now. ;) Once completed there will be a list of all involved with the Leos available. Let me know if you would like one.

The Leo Presidents Group met for the first time on Monday October 20 at The Lookout Bar and Grill in Maple Grove. The meeting was planned and led by their new District Leo President, Leo Abigail (Abby) Schreiber. Abby is also the President of the Cooper Leo Club and she did a great job. They discussed their individual service projects to date and began planning for our midwinter convention in January.

This year we're inviting all Lions to stop by on Friday evening to see what the Leos do and to show your support. There is no cost or obligation to attend! Look for an invitation on your schedule at the convention. I'm also very pleased to announce that Jane Hansen is now a New Hope Lion! For those of you who don't know Lion Jane, she has been instrumental in coordinating the Leo aspect of our convention long before I came around. She wants to stay involved with the Leo program and that is VERY good news for the district. She's planning to attend our cabinet meeting so stop by and say hello.

As usual, should you have any questions or need anything from me call or text me at 612-369-5045. thanks for your attention.
