Dear 5M5,

Below is the GLT 1/10/26 cabinet report.

Thank you,
Jennifer Gilbert

The GLT-Global Leadership Team continues to support the district by encouraging leadership for Lions interested in pursuing roles in their clubs and the district. Our GLT team meets monthly and arranges our work.

We hold meaningful training sessions in Officer and Zone chair training to strengthen club health. Those training sessions are scheduled for May and June and we are seeking Lions to help train.

One of the roles we support is the Zone Chairs by holding check in meetings.

We have always encouraged and supported clubs to aim for Club Excellence goals to maintain healthy and strong clubs. The Club Excellence criteria has changed to include more online training opportunities and strong encouragement for club succession actions such as leadership progression or managing leadership changes. Lions can take many online courses and that feed into Club excellence inputs.

And, we encourage our 5M5 Lions to attend Leadership training opportunities such as ELLI-Emerging Lions Leadership Institute on April 17-19 in Detroit Lakes and Northern Pride Lions Training Forum in Duluth on March 20-21.

Last, we are always looking for Lions to join our team. We participate in All Club meetings and have regular fun meetings. Please contact Jennifer Gilbert if you want to join our fun team.
