List highlights of what is new with your area of cabinet service since our meeting on March 30, 2026.

Special Olympics August 10, 2026 Opening Eyes at the National Games overall went well even though it was short on volunteers.

- 875 frames given out,
- 1100 athletes screened.
- More information is contained in a separate page.

There will be new Special Olympics Coordinator for Health Athletes in the near future, but as of now Bob Larson and Ray Moonen are planning to coordinate with Special Olympics and Lions for events including vision screenings and Opening Eyes next June.

Special Olympics have events year around which could present service opportunities for Lion Club or individual Lions. These could include refereeing, coaching, score keeping or timing, awards ceremonies, cheering, among other opportunities. There may even be a Special Olympics club near you to work with.

To volunteer or see upcoming events see specialolympics.org.
