

NEWSLETTER & INFORMER CABINET REPORT

Submitted by: Colleen Patterson

Date: August 9, 2026

List highlights of what is new with your area of cabinet service since our meeting on March 30, 2026.

NEWSLETTER

Going well.

Have heard some members feel it is too much information and too big to send out. I will try to tone the clip art and include the link right to the website for Presidents & Secretaries to share with their clubs.

I could use some help. Someone to take the sections for pictures or flyers. That takes a large amount of time and would be nice to share the process that has been successful with someone and lean towards the eventual change of the newsletter editor.

It would be nice to be able to access Portal Reports so I'm not bothering others for information.

List what your area of cabinet service is planning this lion year.

Supporting as many local events as possible and continuing to share information and post on the district calendar and website.
