

Lions Clubs Fit Your Lifestyle

Lions Clubs International offers a volunteer opportunity that fits your lifestyle. Whether you are looking to lend a helping hand or pursue a leadership role, Lions has an option for you.

Being a Lion allows you to help change lives, and you can commit as much time as you wish and as your schedule allows.

A club's time commitment depends mainly on the service activities they undertake. Most clubs meet once or twice a month to plan projects, provide community service and conduct club business.

Who Are Lions?

Lions meet the needs of local communities and the world. The 1.35 million lions members in 206 countries and geographic areas are different in many ways, but share a core belief – community is what we make it.

Lions Serve

Though Lions are well known for successful initiatives in vision health, Lions service is as diverse as our members. Lions volunteer for many different kinds of projects - caring for the environment, feeding the hungry and aiding seniors and the disabled.

Lions Make A Difference

Lions Clubs International Foundation (LCIF), the official charitable organization of Lions Clubs International, supports Lions' compassionate works by providing grant funding for their local and global humanitarian efforts. Together, Lions and LCIF actively work to eradicate blindness, support youth, provide disaster relief and address humanitarian needs.
