

Cabinet Meeting Aug. 10 2026

Project New Hope

Lion Kevin Harris and I attended the Summer Salutes Veterans Fair at the ST. Paul Saints Stadium. MACV (Minnesota Area Council for Veterans), sponsored the day's activities. There were a number of Veterans and families going through the concourse. Quite a few stopped by table talked and picked up information concerning the retreats. The MACV Organization is looking to have another day this winter at the Minneapolis Armory.

Our retreats May and June were successful with attendance. Next retreats October and December will finish out 2026. There is discussion of an all-women's retreat with all female counselors, reaching out to the VA'S counselors for their thoughts on trying to set up.
